

For Dates of Service on or after September 1, 2011  
wheeled mobility systems will not be paid for without the  
involvement of a QRP.

What is a QRP? What equipment is considered a Wheeled Mobility System?  
Will this affect my company? Can my company really get paid for the service  
component involved with the assessment and delivery?  
Get the answer to all these questions and more at the  
***2011 TXRPC Annual Meeting.***

Also offered this year is an ATP Exam Prep Course — integral to enrolling with  
Medicaid as a QRP!

QRP enrollment with Texas Medicaid will require  
proof of RESNA Certification or CRTS® designation.

Visit [www.txrpc.org](http://www.txrpc.org) for more information  
& to register for the conference!
