

The "Standing and Gait Training" Seminar is sponsored by Rehab In Motion as an educational supplement to the TXRPC charter meeting being held June 17th and June 18th. The TXRPC welcomes not only Rehab Technology providers, but also Manufacturers, Consumers, and other healthcare professionals to join us in an attempt to gain a strong, unified voice with which we may enhance access to Rehab Technology for the disabled population of Texas.

**Please see the registration insert for seminar and meeting pricing information.**

*The TXRPC is "Dedicated to the enhancement of the quality, accessibility, and professional provision of enabling technologies to individuals with disabilities through the partnership of industry and consumers."*
