### HAVE YOU REGISTERED YET?

We are looking forward to having a large showing of TXRPC members at our Friday sessions so that TMHP and HHSC will see that we have many supporters. Big numbers will equal more weight given to our organization for future issues (like Manual Wheelchair coding, and Prior Auth issues).

**Reserve your hotel room today, too! Save up to \$180!** That's right... rooms at the beautiful Hyatt Regency on the Riverwalk usually cost up to \$335 per night for the same room you can reserve through TXRPC for \$149.00. We have had such great response to room reservations that the hotel has extended our rate through Thursday July 12<sup>th</sup>! Call now 800-233-1234 and ask for the TXRPC Group rate. Or, go online to <http://www.sanantonioregency.hyatt.com/groupbooking/trpc2007>.
